### **Subject:** Membership meeting agenda -- *Sunday* June 30, 2019 1pm

We will be holding our next quarterly membership meeting on **Sunday June 30, 2019 at 1pm**. The board feels that alternating between Saturdays and Sundays will provide members with greater access to our gatherings. As usual visitors are always welcome. This is your opportunity to learn more about the future of this club, get in a flight or two before or after the meeting and, if inclined share a RC related project with the membership. Finally, we still have two open positions on the board those being Treasurer and Secretary. Please considering volunteering (*and the good news is that you will be able to impress your friends at parties and list this experience on your LinkedIn profile ☺*)
